Konin, 14-15.09.2019

Z wielkim zaszczytem i ogromną przyjemnością chciałbym powitać w imieniu władz i mieszkańców Konina uczestników XII Pucharu Europy Kadetów w szabli kobiet i mężczyzn.

Fakt przyznania organizacji tak prestiżowej imprezy traktuję jako wyraz uznania dla Konina oraz Konińskiego Klubu Szermierczego, który od wielu lat jest sportową wizytówką naszego miasta na arenie krajowej i międzynarodowej. Stanowi to niewątpliwe wyróżnienie Konina na szermierczej mapie świata.

Najlepsi szabliści Europy rywalizować będą w Koninie już po raz dwudziesty i jestem przekonany, że ponownie spotkają się tutaj z bardzo przychylnym i pełnym serdeczności przyjęciem.

Zawodnikom uczestniczącym w turnieju szermierczym życzę samych zwycięstw, zaproszonym gościom oraz kibicom niezapomnianych emocji sportowych, a organizatorom satysfakcji z przeprowadzenia zawodów.

Piotr Korytkowski
Prezydent Miasta Konina

On behalf of the authorities and citizens of Konin I would like to welcome, with great honour and pleasure, the participants of XII European Cadet Cup Women and Men Sabre.

The fact of awarding the organization of this prestigious event I consider as a great distinction to our city and the Konin Fencing Club which for many years has been the sports visiting-card of Konin both nationally and globally. Without doubt this fact distinguishes Konin on the map of the world fencing.

The best sabre fencers from Europe are going to compete in Konin for the twenty time and I am convinced that they will meet here with very friendly and cordial welcome again.

I wish only victories to all fencers participating in competition, positive sport feelings to invited guests and fencing fans, satisfaction from its arrangement to organizers.

*Piotr Korytkowski
